DREAMACHINE / SOFT MACHINE

From Marco Rossi collection

A recreation of Brion Gysin's and Ian Sommerville's Dreamachine, produced by Mike Smith studio. A cylindrical light-shades spinning on wooden platforms at 75 rpm. When looked at with closed eyes, the rotating, flickering light is meant to provoke an altered state of consciousness.

VIA DELLA ROCCA, 41

STEFANO GRAZIANI CARNAC OU LES ALIGNEMENTS

Curated by Giulia Nomis

The mysterious side of Carnac Stones are their alignments. Probably, they were used as tools for time observation and investigation: the long time we need to locate ourselves in the universe.

NIGHTTIME, HOUSE BY HOUSE ART, MUSIC AND CULTURE REGARDLESS OF DISCIPLINES PUBLIC EDUCATION IN PRIVATE PLACES

FaustFest is the ultimate cultural program of the Artissima Week; a diffuse, public, free festival that happens when evening comes.

It happens in two different venues – the first in front of Faust, the Turin night shop, in Via della Rocca 41, where 8 exhibitions and 2 base camps of ideas are installed in the street.

The other is in Via della Rocca 20, in a sartorial atelier where all the talks and lectures will.
